

Int'l Appl. No. : PCT/AU03/00403
Int'l Filing Date : April 2, 2003

REMARKS

The Specification and Claims have been amended to conform the International application to the rules of practice before the United States Patent and Trademark Office. Claims 3, 10, and 45-47 have been cancelled. Claims 48-51 have been added. Support for the added claims can be found in the claims as filed. As a result of the amendment, Claims 1-2, 4-9, 11-44, and 48-51 are presented for examination on the merits. The changes made to the Specification and Claims by the current amendment, including ~~deletions~~ and additions, are shown herein with deletions designated with a strikethrough and additions underlined. No new matter has been added herewith.

Conclusion

Should there be any questions which would delay prosecution of the above-identified patent application, Applicants respectfully request the Examiner to contact the undersigned at the telephone number appearing below.

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,
